

Flashes Booster Club

Membership Application Form 2012/2013

The Flashes Booster Club is a non-profit organization run by parents to support the athletic programs at Franklin Central High School. All of the money raised by the Flashes Booster Club goes back into the athletic programs at the school. While the high school athletic department financially supports all Franklin Central athletic teams, there are always additional needs to assist Flashes student-athletes. Through the years, the Flashes Booster club has been involved in helping those programs by purchasing or contributing to the purchase of a variety of items requested by coaches and staff:

Fall, Winter and Spring Sports Programs
Weight Room Reward T-shirts
Flashes Football Foundation Hole Sponsor
Conference Indiana Football T-shirts

Basketball All Star Program Ad
Boys & Girls Hoosier Basketball Ads
Girls Basketball Hall of Fame Game Ad

The success of the Flashes Booster club depends upon parents, alumni and friends becoming involved and helping with the different activities. Our meetings are open to all parents, and we welcome your participation. We encourage you to become a member, attend the meetings, and become involved for your kids and Flashes athletics! If you would like more information, please contact LeDania Bowell in the Athletic Office at ledania.bowell@ftcsc.k12.in.us or (317) 803-5537.
